

## Nitrogen/Yellow High pressure nitrogen hose

Image not found or type unknown

### Technical specifications:

Antistatic nitrogen hose for transport air, water, nitrogen and other non-aggressive gases. Suitable for applications in the petrochemical industry, at refineries and various other production facilities where nitrogen is used in the process.

**Felirat:** ® NITROGEN 19 X 30 MM ANTISTATIC WP/BP 25/75 BAR batch nr.

**Working pressure on 20 °C:** 25 bar

**Burst Pressure:** 75 bar

**Temperature:** -20/+60 °C

**Inside:** Black, smooth, thermoplat

**Outside:** Yellow, smooth, thermoplast, with longitudinal anti-static stripe

**insertions:** Aramid

**Electric resistance:** 2 black antistatic longitudinal stripes <10 9 Ω

**Norm:** EN ISO 1307:2008

Storage lots, splitting of the rolls are possible. Meantime, we hold the right of selling the stock in products.
